

- A few members thought that the CMC should not be associated with any scheme for modified vehicles. However general consensus was that the CMC will support initiatives by others to introduce a new scheme for modified vehicles. No one supported extensive modifications.
- No agreement on the level of this support other than the Technical Committee would organise a special meeting with other parties looking to introduce a new scheme
- No agreement on whether a new scheme should come under the CMC

ACTIONS – draft response to member clubs (Paul Blank/Neville Horner) and circulate for comment

Review of draft letter from EAMC to Minister

- EAMC pushing for change to allow concessional licensing of modified historic vehicles. Draft letter to be sent to Minister in 4 weeks.
- Draft contains several inaccuracies relating to Code 404 rules
- Concern over reflection on CMC

ACTIONS – send response to EAMC (Neville/Murray)
 - send CMC Tehcnical Committee delegate(s) to next EAMC meeting to make sure their members know the rules (Murray/David)

Meeting Closed 7:30 pm
