Editorial Comment:

With our new executive and general committees now firmly entrenched it's all systems go for another fun filled year of competition and social events. The comp committee have put a very interesting programme together, we understand an exciting new event is in the planning stages so looking forward to this. As mentioned on a number of occasions, our comp venues are limited so we need to seek out other options to keep our events vital and interesting.

The social scene is also packed to the rafters with plenty of effort from social secs, Steve 'n Desley working on outings which don't clash with our comp events.

As always, to keep yourself up to date, our club web site is the place to look.

Our sympathy and thoughts go to Mark Dobson on the passing of his sister. I have offered Mark our sincere condolences on behalf of his fellow club members.

Important reminder – Annual subscriptions!!!! Registrar Dave has advised there are a few now no longer financial members who have cars on concessional license!!!! Unless these members are financial members of another CMC affiliated car club, their concessional license is no longer valid.

COMPETITION:

The Midvale Autotest attracted a very healthy 29 entries. The revised longer course was very well received with plenty of really good positive feedback from entrants on the day. There were a couple of 'moments' as drivers navigated the twists and turns whilst watching the swamp rapidly approach at the end of the long straight. We are pleased to report no one went into the swamp but we did have a couple close calls, thankfully not from any of our TSOA members.

Advanced driving skills were pushed to the limit from a couple though.....Stormin' Stan Stokell had the mighty Herald at extreme opposite lock on more than 1 occasion, not to be outdone by Glen Farquhar in the souped up Dolly sporting a big brakes conversion and LSD. Glen's foray into the grass provided some oohs and aahs from spectators. All adding to the fun aspect of our club level comp events.

Mark Dobson was the man to beat at Midvale. Blitzing all comers he was fastest outright. We had no 6 cylinders and 4 cylinder class winner was your Backchat editor in the flying '4a' (and that was despite a garage penalty!)

Coming Up

- **Barbagallo Super Sprint** - September Sat 1st – Entry details below taken from a general email to members so follow these carefully, Andy has proven the simplicity of this entry method having managed to complete the process without difficulty.

To enter complete the following:

- Create an account by going onto their website (<https://www.hsvownersclubofwa.com.au/2/>) and become a member to receive emails only. No monies are required to join.
- Fill in all your details including the vehicle to be entered. (The supp regs are attached to a link on the left hand side of the page).
- Make your payment with either credit card or PayPal. Cost of entry is \$180 which also includes a Dorian.

On completing your entry, please email comp sec Andy (andyhamilton888@gmail.com)

The "Rules of Play" to be eligible for TSOA drivers points are:

- You must complete a minimum of 3 runs comprising one warmup lap, four timed laps and one cool down lap.
- Fastest time will be the person that has the quickest single lap.
- Regularity will be awarded to the person that has the most consistently timed four laps in any single run.

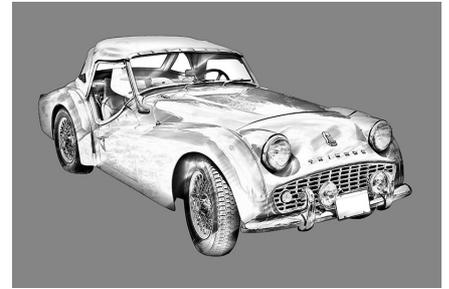

- **Jacks Hill Cimb** – Sunday October 14 – Guests of the Porsche club of WA Entry docs available soon.

- **Motorplex Sprint** – Sunday December 2nd. - Entry docs closer to the time.

CAMS Report:

No report this month.

SOCIAL:

Sunday August 5 - Annual Presentation function – The ambience, meals and service at Bocelli Cafe & Restaurant were outstanding. Having the room to ourselves worked well while casual diners were accommodated in the outer area, not in any way interfering with us. Presiding over this celebration of the past year, Justin kept momentum as we presented awards for Champion Driver and Clubman of the Year. It came as little surprise that Trevor Allen was handed the baton from our immediate past Champion driver Thomas Dodds. Trevor was delighted to also receive the champion driver perpetual silver plate. This was a very popular accolade for Trevor. It came as quite a surprise to myself to be awarded Clubman of the Year. Just goes to show, put the effort in and it can at times reap rewards. During the presentations we shared quite a few laughs as previous amusing and embarrassing anecdotes were shared with members.

Our newest life member, Trevor Steel was quite humbled to be elevated to this rank. Receiving what has now become our traditional commemorative clock, Trevor responded with some highlights of his long association with the TSOA having been in many executive and general committee positions as well as looking after our concessional licensing responsibilities for many years. A very worthy recipient, one which I fully support and endorse.

A really good outing shared with really great people. Thanks to Steve 'n Des for organising this venue.

Sunday August 12 – Targa West Classics in the Park – The name is a bit misleading this year as the display was re-located to the bitumen carpark area due to unusually high rainfall over the past few months. A combined total of 12 Triumphs from TSOA and TCC were proudly the largest single marque on display! Excellent effort from those who contributed to this display event on a most magnificent sunny winter day

Coming Up

- **September Sunday 16th** – Annual Wildflower Run (***Go wild in your TRUMP***) - Metro run from Midland to Gidgegannup then across to Kalamunda pub for lunch – total run distance of 150km. With the higher than average rainfall over the winter months, we can expect an utterly dazzling display of wild flowers. It is important you RSVP to Steve Hiller 0439 922 701 or hillersd@gmail.com by Tuesday 11 September, so we can confirm numbers to assist catering at both venues.

GENERAL BUSINESS:

Come on all you TR6 owners!!!! This event is a milestone worthy of celebrating. The 50th anniversary year of the TR6 will be upon us next year so how about making some fuss about the 'hairy chested sports car' you like to drive??? (I can't take credit for the hairy chest quote.....or should that be blame???)

We'll keep reminding you as the months progress confident that a member will embrace this and bring it to a conclusion we can look back at fondly.

2019 TSOA National Meeting – Stand by for an update next month. The committee will be meeting in the next couple of weeks to table their suggestions, progress reports and costing.

Please also keep in mind our request to business people to consider contributing to the financial overheads of which these are substantial if we are to maintain our reputation for good value national meetings.

Regalia – Greg W brought his selection of winter garments to the August meeting advising members this would be the last before we offer our summer range. You may be able to grab a bargain for these last remaining items so jump in quick if you need any warm gear.

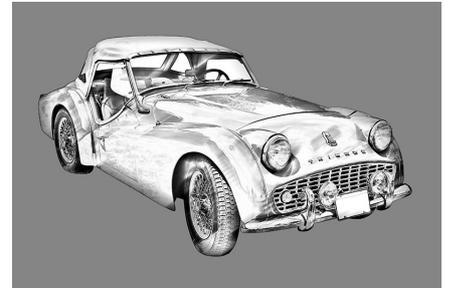

Event of interest up-date – Port Denison Sprint. September Sunday 23. Many thanks on behalf of the Port Denison event organisers for the use of club assets. We'll be using the timing gear, gazebo and radios. Thankyou

also to those TSOA members who have offered to come up and give a hand. All helpers on the day are invited at no cost to the after-event function where we offer as much finger food and drinks as you can fit in. We are so grateful to our volunteer helpers without whom we couldn't run these events. I know this comment is a clichéd remark but never a truer word has been spoke.

TSOA Drop Box folder – Our ever-vigilant shutter bugs have loaded a heap of great pics on the internet drop box. Thanks to Jan and Bruce you can view at https://www.dropbox.com/sh/r1ggcutaz47st7l/AAAMgI0j6z8Ps_RVlxoxC1Foa?dl=0

And remember, the camera doesn't lie (does it Stan????)

NEW MEMBERS:

An application from David Hine of Wellard with his TR7 (referred by Justin Stevens) – is pending but unanimously accepted subject to payment of subscription. We'll formally welcome David once his application is ratified.
