Editorial Comment:

Accolades to David Ryder who took the personal initiative to purchase quite a few packs of Leukemia foundation fund raising valve caps and sell them on to club members at the October meeting. A truly grand gesture. All were sold on the night.

While we're on the subject of accolades and 'back patting'. A gesture from Jeff and Kaye VDP to assist associate member Billy Potts on his drive home from Port Denison should not go without appropriate acknowledgement. Details are: Bill's MGB died a bit north of Lancelin, leaving him stranded in a no mobile reception area. Quite a number of cars that had run at Port Denison drove past without offering assistance, but not the VDP's who not only stopped, but after driving into a mobile service area to call for a recover truck, they returned to advise Bill it was on the way and hung around for a while to make sure he was OK. Another truly great gesture for club members and much appreciated by Bill.

Comments on the Port Denison Sprint may be a little mis-placed here, but as this was not an official TSOA event, we'll put some comment here as the success of this event was in no small way due to a number of our club members carrying out key roles. I am so proud to be associated with those from our club demonstrating to 50 extremely enthusiastic entrants, our sponsors and around 7000 spectators how a motor sport event should be run. The positive feedback we received made the effort all worthwhile. The organising group are already discussing improvements for this event in 2019.

COMPETITION:

No comp events to report on this month, but plenty coming up.

CAMS Report:

With our CAMS affiliation re-newal now due, members are quite rightly asking if there is any value to us retaining this additional cost burden to our club. To satisfy members, we'll be putting a 'white paper' together so members can make a considered and informed decision on whether we need to remain as an affiliate.

At the recent election of office bearers for the coming year. Tracey Rowley was elected as Chairperson with David Moir re-elected as deputy Chair.

We have sent notification to eastern members to keep the WA dates free following an enquiry as they are already putting travel plans together. We're expecting a large contingent from the east. Our reputation for presenting good value, good fun nationals is the primary motivation. Our professional formal invitation to be presented at the QLD will, I'm certain, motivate others to join us.

The social group are well along the way to finalising many of the venues, the comp aspect will resume in the near future so we have plenty of time for Police approvals, road closures, risk assessments and traffic management plans approved by the local councils. We will be working closely with both councils who have expressed enthusiasm for our national in 2019.

And wait till you see the great 2019 nationals logo (if you haven't caught a glimpse already) It's a beaut.

NEW MEMBERS:

Club registrar Dave announced with some amusement that we had not received an application for new membership over the past month. Dave was quick to mention that at the very least, no more 'damned' TR6's. Attending members saw the funny side of Dave's aversion to the 'hairy chested' TR6. Dave's registrars' reports are always very entertaining.

Lucky Lottery (raffle) Many thanks to our raffle prize sponsor this month, Kostera's Tyres. Some of these highly desirable articles are beyond generous and judging by the behaviour of raffle winning recipients, these will no doubt become 'pride of place' (yes, tongue planted very firmly in cheek here) The bottle of bubbly looked OK though!!!!

Raffle meister Dave, thanked stand in raffle person Anne Douglas for looking after this vital club function in his absence last month.

Worthy winners this month were - Chris Meynert, bottle of bubbly – Steve Jones, blue tooth speaker – Kaye VDP car servicing seat cover – Rod Nolan, tool box – Andy Hamilton, carry bag.
