After marrying & starting a family, the ‘times of the day’ saw him move on to Maintenance Supervisor of East England Electricity Board covering a fleet including chain saws to big mobile generators. The family moved to Australia, but due to John's qualifications not being recognised he became a self employed vehicle restorer & mechanic. Although unable to restore the Vauxhall Cresta any time soon, recent visits to country towns featuring ‘rallies’ etc reminded him of past times with AVVVA and a way to once again enjoy his passion with old cars and chatting with like minded Members.

Moved: Arthur Millea... Secnded: Ed Fawkes ... That John and Patricia Peake be accepted as Members of AVVVA. AIF

Frank DONEGAN ... of Northam, with a 1994 Hyundai Coupe. Known to many as the Man who has life size statues at his Shop, including Dinosaurs. Frank has supported our Newsletter for a few years, now extending his interest with vintage vehicles as a Member of the Club.

***The Club - Zeta:** has been on loan to the WA Museum at Whiteman Park for six years, since April 2013. It has been well taken care of and moved to various locations for display in the Museum.

However it is proposed and agreed that the time has come to bring the Zeta back home for now.

Fred Singleton will approach the Museum and in co-ordination with Ed Fawkes, organise the move.

*** Merchandise:** Bronwyn has suitable Polo Shirts with pockets, sizes Sml to 5xl, \$26.50 There is also dress shirts, \$37 & \$40. Ladies style in both. Problem with Embroidering on pockets solved by putting on opposite side. Orders can be made by contacting Bronwyn on woorodalefarm@snowbron.com.au Thanks Bronwyn.

YORK AVON VALLEY CLASSIC RALLY

Saturday 31st August 2019

Dear Motor Enthusiast

After the success of the Avon Valley Classic Rally in 2013, 2014, 2015 we decided to make this a biennial event. The rally was a success in 2017 so we are now planning the 2019 event for Saturday 31st August.

This year as in the past we are holding three rallies in one with the first vehicles leaving Avon Park at 9 am for a fun event before heading off for various distances in different classes including Veteran, vintage, modern classics and tractors. The difference is that while all these classes will start and finish at the same time, the tractors will deviate onto their own route, including gravel roads, bush tracks and hopefully a water crossing, re-joining the veteran and vintage vehicles for lunch. Vintage, veteran, modern classics and the tractors will each be competing in their own categories and separate trophies will be presented.

The modern classic vehicles and sports cars will cover approximately 100 kms on new and scenic roads taking in even more of the picturesque Avon Valley answering a questionnaire along the way before re-joining for the luncheon and trophy presentations.

We will be providing a complementary morning tea at the start in Avon Park (Lowe Street, York) for all participants. At the finish, a luncheon will be provided.

Entry fee: \$15 per vehicle and \$30 per person to cover costs for luncheon.

Registration of details will be essential for catering and organisational purposes please fill in the attached registration form by Friday 23rd August 2019 to yorkveterancarclub@gmail.com
